BOOKINGS ESSENTIAL**

Monday nights are becoming more exciting at Viva Restaurant starting in March 2007.

Every second Monday starting on March the 5th, Viva Restaurant will be offering you a special dining experience taking you back in time to when real authentic Italian food was matched equally with good authentic Italian music played live on the **piano accordion**.

Come and enjoy our main feature dish very rarely found in Perth and cooked to absolute perfection. Viva's **whole suckling pig** is braised in our wood oven for 6 hours. To start with, why not try our traditional pasta fagiolo soup, cooked from a stock made with the trotters of the pig, yummy!!

These two dishes will only be showcased every second Monday and by bookings only, our full menu will also be available.

So please make a booking to try Joe's famous suckling pig dishes or just pop in for a nice meal with some relaxing music and a bottle of wine, remember you can bring your own wines to enjoy.
